

Tights & Shoes!

Here is your reference for all things that your dancer will need to have for the dress rehearsal and performances!

Please make note that dancers should be in full hair/make/costume for dress rehearsals as they will be professional photos taken.

All female dancers must have a nude (skin color) leotard which is worn under their costumes to insure hygiene and modesty. The 'nudies' should have a low back and adjustable clear straps. This undergarment protects the costumes from sweat and soil which allows LMDA to use the costumes longer. Required undergarments are mandatory.

All dancers in professional tutus must wear a nude bra and briefs.

Dancer should pack lots of "extras" including tights, hair ties, bobby pins, hair nets, hair spray, hair brush, make up, makeup wipes, etc. for the at the theater.

TIGHTS - You will find the color tights your dancer needs for their parts below. All tights need to be purchased from LMDA so that it can be ensured they are the same color. Tights from different brands will show different colors on stage.

LMDA tights are the same ones that they receive during recital so if they have tights in good condition from recital, then you are all set!

We have a list of all dancers who need black tights and will make sure to have them ordered in their size. They can be purchased online or at the front desk and picked up from the front desk. :)

SHOES - All shoes should be free of holes, clean, and in good condition. If you already have leather ballet shoes, that is fine, if you are getting new shoes please get canvas.

HAIR - All buns must be slick back with no flyaways or bangs. No sock buns, twist and wrap hair to create ballet bun, finish with a hair net.

MAKEUP - stage makeup included heavy mascara/fake eyelashes, eyeliner with wings, foundation, heavy blush, a dark lip color (not red, think natural but bold). All nail polish should be removed.

JEWELRY - Dancers should be sure to remove ALL jewelry.
